

Fail (4)

1. To prove of no use

I **fail** to see the humor in this situation.

2. to become unable to meet or pay debts.

The banks **failed** in 1929.

3. to receive less than a passing grade

The student **failed** English class and will not graduate.

4. to fall short of success or achievement

Many new businesses **fail** in the first five years.
